

Do you love a good math challenge?
Do you like learning new things?

COME JOIN
MATH COUNTS !

WHEN do we meet? Every Monday 2:45-4:00, starting September 25th (The activity bus is available at 4pm to take you home.)

WHERE do we meet? Room 406

WHO may join? Students in grades 6,7,8 who are interested in challenging and competitive math problems!

WHAT is MathCounts? A national middle school competitive math program that promotes math achievement through a series of fun and engaging “bee” style contests.

Who should I see if I have QUESTIONS? Mr. Knisely (T4), Mrs. Murray (407), or Mrs. Shapiro (406) can answer your questions.

You can get a permission slip with all of this information from any math teacher!
