Homework After School Program (HASP)

Eagle View Middle School is offering an after-school homework program to all students at Eagle View. Students who need assistance with homework or would just like a quiet place to study are invited to attend. The program currently operates each week on Wednesday afternoon from 2:50 p.m. to 4:00 p.m. in the school's IMC.

Students may choose to attend the homework after school program (HASP) while space is available. Space is limited, and students might be put on a wait list if no spots are available at time of registration. **It is mandatory that students show up to the homework after school program unless they have a note with a parent signature or an e-mail is sent to me.** Two unexcused absences can result in dismissal from the program. **Inappropriate behavior is also grounds for dismissal from HASP.**

Students **MUST** bring work to do. If there are no immediate assignments due the next day, or assignments that are past due, students should bring materials to begin preparing for upcoming tests or projects. **HASP is designed for students who have the desire to get their work completed. This is not to be used as a punishment for students! Please make sure that your child is attending this program willingly, because it is the student's desire to do well that makes this program successful.**

Activity buses are provided by the Cumberland Valley School District to transport the students to their homes at 4:00 p.m. If your student will be riding the activity bus, please be sure that he/she understands that he/she must take the bus from the middle school to the high school to pick up his/her particular bus. **Your student should not walk to the high school.** If you choose to pick up your child, please do so promptly at 4:00 p.m. There will be no staff supervision beyond this time, and you will be responsible for your child. If students are going home with friends or staying for an athletic event after HASP, a note with a parent signature is required.

The success of this program is based on the individual student's desire to achieve. Homework completion and studying greatly impacts the student's learning. Once students realize this, they are often able to leave the program and continue to be successful. Please sign this contract agreeing to the above terms. Also indicate whether your child will be riding the activity bus or will be picked up by 4:00 p.m. If you have questions, please feel free to contact me at nbender@cvschools.org.

Cut off the bottom portion of this form and return it to Nina Bender, Room 321, or to the main office.
A notice will be given to your student as to the start date of this program.
