

# MathCounts

## All Grades Invited

Looking for a challenging opportunity to display your math skills?

When? Where? - Mondays after school in Room 406

MathCounts is a national middle school math competition program that promotes math through a series of fun and engaging “bee” style contests.

Interested students should see Mrs. Shapiro (Room 406), Mrs. Murray (Room 407), or Mr. Knisely (Room T4) for further details.
