NOVEMBER 2020

MESSAGE FROM THE PRINCIPAL

Hello Eagle View families!

At the time of writing this newsletter, we are currently still open in the hybrid model of instruction. I want to commend the staff and students for their diligence and commitment to the COVID guidelines. I am sure this effort has contributed to the successful first marking period.

The month of November is traditionally the time of parent conferences. While the conferences may look different this year, we are still offering those opportunities to learn more about your child's progress. Teams will be providing further information about parent/teacher conferences and the directions to sign up.

Finally, I want to make a request of all parents and students. While we understand most students prefer the face-to-face lessons, please make every effort to complete the asynchronous lessons to the best of your ability. There seems to be a view from some students that these lessons are "only" homework and not as important to complete. Unfortunately, that view has contributed to some students struggling with grades. Please encourage your child to complete all asynchronous lessons each week.

Stay safe and thank you for the continued support!

John Gallagher

CALLING ALL PHOTOGRAPHERS!

Because this year is so different from others, the yearbook staff is looking for new ways to collect photos of our students. We'd love families to send in photos of their EV and CVVA students at home learning. This could include first day of school photos, remote learning spaces, sports games, photos with friends, etc. I've attached a flyer below that runs through two ways parents/students can submit these photos.

We can accept photos all the way through March 1st, so yes, please consider this ongoing!

If you have any questions about this, please let me know! I promise in the next week or so, I'll also be sending information about how to pre-order yearbooks.

Sincerely,

[Mr. McCabe](#)

NOTE FROM THE EAGLE VIEW PTO TREASURER

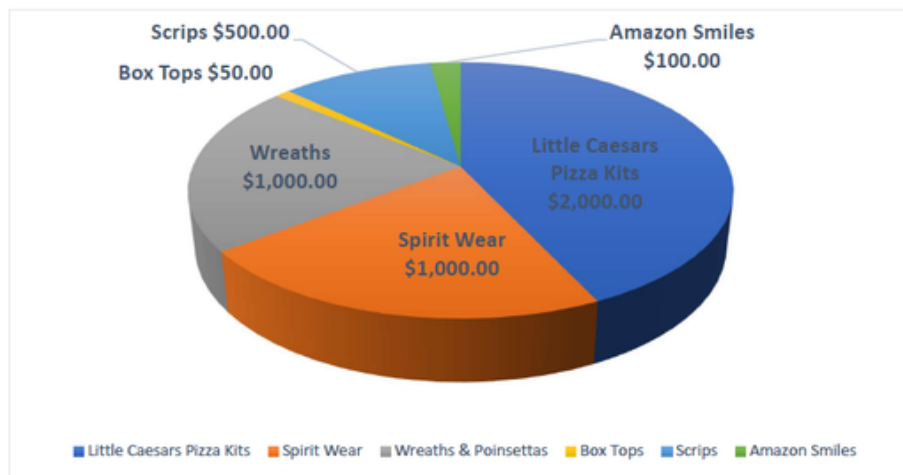

Please find a copy of the Eagle View PTO Budget updated on 10/24/2020, along with pie charts to assist with understanding the budget. The EV PTO Budget lists the income we hope to make with our PTO fundraisers along with a list of expenses we would like to cover for all our EV students. The EV PTO hopes to bring in \$8000.00 to cover these expenses, which includes funding the 6th & 7th grade socials, 8th grade Hershey Park trip, Kicks for Kids, helping our greater Eagle View families with Thanksgiving meals and classroom incentives determined by our EV teachers. The EV PTO also sets money aside each year for the Young Author Visit which is held every three years. If you have any questions please feel free to email evpto@cvschools.org and I will answer any questions you have on the 2020-2021 EV PTO Budget.

2020 PTO BUDGET

In order to cover all these expenses, bring back programs that were removed, and have enough to leave a small amount for next year's PTO (see budget), we need to raise \$25 per student. If you, as an EV family are not interested in participating in fundraising, you can make a donation to EVPTO that would be used to help cover some of the yearly PTO expenses.

TEACHER APPRECIATION SNACKS FOR DECEMBER

By clicking above you will be directed to the Time To Sign Up (TTSU) sheet where you can sign up to help stock the Teacher's Lounge!

A huge thank you to all who have donated to this cause as you have raised a total of \$330.00 ! About half of this was used to stock the teacher's lounge for the month of November! The remaining funds will be used to continue to stock the teacher lounge the winter months! The TTSU is still open for anyone still interested in donating to this cause. The PTO hopes to continue this kind gesture as long as we are able to. Thanks again!

FUNDRAISERS

BOX TOPS- LETS MAKE THEM COUNT

The Eagle View PTO would like to extend a huge thank you to all of the families that have supported the General Mills box top fundraising by clipping and donating box tops over the years. Though the format is changing, the fun is not over yet. You may have noticed that the clippable on-package box tops have decreased in number over the past two years. This is due to a transition to electronic donation which will be fully completed in 2023. If you discover a traditional, unexpired box top clip on a product, we would be very happy to receive this donation; please just have your student drop it off to the main

office. Every valid box top clip is still worth \$0.10 towards the PTO's support of classroom enhancement and student enrichment activities. These box tops add up, as Eagle View has earned over \$1,000 each year over the past 6 years. We hope to be able to reintegrate some of our previous box top activities going forth as COVID conditions are alleviated.

General Mills has rolled out its new electronic donation system that is easy, efficient, and provides opportunity for even greater student benefit. Please consider following the simple steps itemized below and making the process part of your shopping routine. It is a great no cost, no fuss way to support Eagle View; you can contribute at home at whatever time is convenient in your busy schedule. Here is how it works:

- download the app
- scan the receipt
- earn funds for EV PTO

It's that simple! For more information, please click on the box tops link above.

Please consider engaging in this project where the school earns substantial benefit at no cost to its patrons. The extra step will make all the difference. As the program expands in participation, the PTO is expecting to be able to incorporate contest-style events. So, join in the fun, and begin your receipt scanning today! Feel free to contact Amber Whitteker at awhitteker@cvschools.org or Lynn Grossman at jjaly@verizon.net with any questions or concerns.

Stay tuned for more PTO news next month!
