

Dear Students and Parents:

Welcome to the **7GO Team**! We hope that you are looking forward to a challenging and rewarding school year.

The 7GO teachers want each student to have a successful year both academically and socially. We will present interesting, relevant lessons that will develop critical thinking skills. Also, our supportive team spirit will encourage each student to participate fully in the total school program. There is a special place for everyone to excel on our team because we share and appreciate individual differences.

We pledge to provide a quality education in a caring environment. Parental support is needed to ensure that students come to school well rested, properly nourished, and motivated to learn. Students must recognize their responsibilities in maintaining good study habits and a positive attitude. With teachers, parents, and students working together toward common goals, all of us will have a productive, enjoyable year.

Relax and enjoy the rest of your summer. We look forward to meeting with you on the first day of school, Wednesday, August 31st. Recommended supplies are posted on the Eagle View website under *Parent & Student Information*.

Sincerely,

7 GO Team Teachers

Mr. Beard – Science (wbeard@cvschools.org)

Mrs. Whinnie - Reading (twhinnie@cvschools.org)

Ms. Gray – Learning Support (kgray@cvschools.org)

Mr. Reed – Social Studies (creed@cvschools.org)
