December 2020

Message from the Principal

Hello Eagle View families!

Welcome to December! At the time of writing this portion of the newsletter, I am happy to report we are still open for business! While there have been incidents related to COVID and students quarantined for symptoms, we have been fortunate to not have a COVID-related situation requiring a closure of Eagle View. However, we know that each day brings the potential of a changing environment. Our staff is prepared to move to a Tier 1 (fully remote) mode if the need is there.

Please help us by encouraging your child to practice safe social distancing, wash hands frequently, and wear a mask in public. Stay safe and thank you for the continued support!

Calling all Photographers!

Because this year is so different from others, the yearbook staff is looking for new ways to collect photos of our students. We'd love families to send in photos of their EV and CVVA students at home learning. This could include first day of school photos, remote learning spaces, sports games, photos with friends, etc. I've attached a flyer below that runs through two ways parents/students can submit these photos.

We can accept photos all the way through March 1st, so yes, please consider this ongoing!

Sincerely,

[Mr. McCabe](#),

Eagle View Middle School PTO

We are so encouraged, that despite all the changes and challenges this school year has brought for all of us, to have had such a positive response so far in support of fundraisers, communication, stocking the teachers and staff lounge and so much more. Thank You! Moving into the holiday season and new year we hope to continue to foster community at Eagle View. Typically, the PTO hosts a 6th and 7th grade social throughout the months of January through March. This year, these events will have to

school's guidelines for safe interaction. Please join us at our next PTO meeting or email your ideas. The hope and plan at this point, barring any further changes/restrictions with COVID, is to have the annual 8th grade trip to Hershey Park on the last day of school. A committee chair and 8th grade parent volunteers are needed for this special Event.

If at anytime you have a question or suggestion, please feel free to contact the Eagle View PTO at any time evpto@cvschools.org or click [here](#) to access the Eagle View PTO Homepage for more information on PTO related topics. Here you will find important up-to-date information on such topics as fundraising, PTO meetings, budget, volunteer opportunities and links to Facebook and more.

Warmly,
Eagle View PTO

Note from the Eagle View PTO Treasurer

Please find a copy of the updates Eagle View PTO Budget. The EV PTO Budget lists the income we hope to make with our PTO fundraisers along with a list of expenses we would like to cover for all our EV students. The EV PTO hopes to bring in \$8000.00 to cover these expenses, which includes funding the 6th & 7th grade socials, 8th grade Hershey Park trip, Kicks for Kids, helping our greater Eagle View families and classroom incentives determined by our EV teachers. The EV PTO also sets money aside each year for the Young Author Visit which is held every three years. If you have any questions, please feel free to email evpto@cvschools.org and I will answer any questions you have on the 2020-2021 EV PTO Budget.

In order to cover all these expenses, bring back programs that were removed, and have enough to leave a small amount for next year's PTO (see budget), we need to raise \$25 per student.

If you, as an EV family are not interested in participating in fundraising, you can make a donation to EVPTO that would be used to help cover some of the yearly PTO expenses. Donations can be sent in with your child and dropped off at the main office. Cash & check are preferred methods of payment as we have noticed miscellaneous charges for the use of Paypal.

Teacher Appreciation

We all are so grateful for the staff and teachers at Eagle View Middle School! To show appreciation we have taken your kind donations and stocked the staff lounge with goodies that all can enjoy! Let's not stop here though!!!

We can start this here as we would like to send a HUGE shout out to ALL of the teachers and staff for all of the time and effort you place into teaching our children this year! All of the behind the scenes work and extra hours in preparing the classroom virtually and in-person are noticed and greatly appreciated! Thank you!!

Please take a moment this month and send words of thanks and encouragement to our teachers and staff! The power of kindness starts with us! Encourage your children to do the same! It is amazing what just one kind message can do to brighten someone's day!
