## Message from the Principal

Happy New Year!

Welcome to 2021! As much as we may be glad to leave 2020, I believe we still have work to do in 2021 to ensure all students find success. We will continue to keep the safety protocols in place at Eagle View providing a safe working environment for staff and students. At the time of writing this message, the plan is for students to return to the hybrid model of instruction on January 11.

One of the greatest disappointments of the school year is the reduction in school activities. We miss the school socials, music concerts, and after-school clubs. However, we recognize these sacrifices may enable us to provide the continued safe program for our students. Hopefully, the "2021" of the 2020-2021 school year will allow our district to begin to provide some of the "extra" activities. We will be having virtual events replacing some of the past activities. Coming this spring will be a virtual book fair, virtual Junior Achievement activities, and various virtual student group competitions. While "virtual" may not be the same as the "live" events, it will provide our students with some activities beyond the classroom.

Stay safe and thank you for the continued support!
*John Gallagher*

## Calling all Photographers!

Because this year is so different from others, the yearbook staff is looking for new ways to collect photos of our students. We'd love families to send in photos of their EV and CVVA students at home learning. This could include first day of school photos, remote learning spaces, sports games, photos with friends, etc. I've attached a flyer below that runs through two ways parents/students can submit these photos.

**We can accept photos all the way through March 1st,** so yes, please consider this ongoing!

Sincerely,
Mr. McCabe,

## Note from the Eagle View PTO Treasurer

Please find a copy of the updates to the Eagle View PTO Budget. The EV PTO Budget lists the income we hope to make with our PTO fundraisers along with a list of expenses we would like to cover for all our EV students. The EV PTO hopes to bring in $8000.00 to cover these expenses, which includes

funding the 6th & 7th grade socials, 8th grade Hershey Park trip, Kicks for Kids, helping our greater Eagle View families and classroom incentives determined by our EV teachers. The EV PTO also sets money aside each year for the Young Author Visit which is held every three years. If you have any questions, please feel free to email evpto@cvschools.org and I will answer any questions you have on the 2020-2021 EV PTO Budget.

In order to cover all these expenses, bring back programs that were removed, and have enough to leave a small amount for next year's PTO (see budget), we need to raise $25 per student.

If you, as an EV family, are not interested in participating in fundraising, you may make a donation to EV PTO that would be used to help cover some of the yearly PTO expenses. Donations may be sent in with your child and dropped off at the main office. Cash and check are preferred methods of payment as we have noticed miscellaneous charges for the use of Paypal.
